

**Brunswick and North Kite Resident's Association
Minutes of Committee Meeting**

6.30 p.m. 8th October 2013 at 41 Maid's Causeway

PRESENT

Roger Chatterton	RC	
Hugh Kellett	HK	Joint Chairman
James Oram	JO	Secretary taking minutes
John Lawton	JL	Joint Chairman
Susan Dixon	SD	Treasurer
Sue Gordon Roe	SGR	
Leonie Llewellyn	LL	

1 1. Apologies for Absence:

None

2. Consideration and Approval of Minutes

Minutes of last meeting (planning for future) should be dated 10th September

Minutes of last ordinary meeting on 20th August approved

3. Review of Recent Julian Huppert Meeting

ACTIONS

Low turnout – 20 in total including speaker

Market Ward Cambridge has one of lowest voter turnouts in Cambridge

Total cost to us £100

We did not achieve objectives of adding to our email list & having a good attendance

No one from RARA but a representative of Christ's Pieces RA

FoMC did promote it amongst its members

HK will do write up for website

HK

JL will obtain analysis of website

JL

4. Progress on Flyer Distribution Areas

In hand with LL

Area to be split into six sectors

Try to include all flats even if difficult

Flyer design and colour (yellow?) to be ready for Christmas

Want to increase attendance. What other ways of promotion are there?

- Door knocking
- E-mails
- Word of mouth

Fundamental problem is apathy - residents only interested if there is a problem

Ask people for their views

All committee to come to next meeting with ideas for newsletter

HK to edit together and include advert for Christmas party

All
HK

5. Reports from Committee Members

SD to attend Midsummer Common meeting at end of month

Discussion over relationship between BruNK and FoMC.

SD

6. Debate over Mixed Use of Paths on Common

Recently a young child who is a local resident was knocked over by a cyclist

Seems to have been a number of accidents recently especially on corner of Brunswick Walk and North Terrace

Has been suggested there is a raised section for pedestrians or a ridge to separate

Cyclist should use their bells more to ward pedestrians

This is a question for us and FoMC to raise at WCAC

Fast cyclists and pedestrians cannot be mixed safely

Problem is only going to get worse as Cambridge and Common become busier.

7. Parking Midsummer Common & next Management Meeting

SD will e-mail a memo about pub flouting restrictions

SD

Management meeting at the end of the month

JL

8. Christmas Event Planning

We could ask Berkeley Homes if we can use their marketing suite but maybe a pub better

Ask at Hopbine

Date Friday 6th December at 6.30

9. AOB

Zebra update ...

27 mph limit is the effective limit according to recent press report as council are not taking measures to control speed and are happy if this is the average speed – so just a council basis

Police are meant to be enforcing this but not sure when

Next WCAC is 14th November

10. Next Meeting

12th November at 7pm at 50 Maid's Causeway

SGR gives apologies
